The Sun will reach Solar Maximum in
2025, meaning that solar flares and
Sun spots will be particularly
impressive this year. Dark Skies of the
Wet Mountain Valley invites you to
come to scenic Bluff Park to view the
surface of the Sun on the following
Saturdays between 11:00 AM and

Noon:

May 17, 24*, 31*

June 14, 21*, 28*

July 5, 19, 26*

August 9, 16*, 23*, 30*

September 6, 13*, 20*

*Coincides with free, public night-
time session at the Smokey Jack
Observatory in Bluff Park

darkskiescolorado.org

June 4th is National Cheese Day!
