# Year-End Wrap-Up

As we close out 2024, we're celebrating an incredible year for Westcliffe! Highlights include passing the 1% Continuous Sales Tax, welcoming our new Deputy Clerk Melane and Trustee Chuck Jagow, and completing the renovation of Jess Price Memorial Park. We also enjoyed a successful Spring Clean-Up and unforgettable community events like the Farmer's Market, Independence Day Parade, and the Christmas Festival of Cheer.

Thank you to everyone who made this year special—your efforts make Westcliffe shine. Here's to an even brighter 2025!

## SNOW REMOVAL REMINDER

Snow is on the way. Let's work together to keep Westcliffe accessible!

As winter weather arrives, we want to remind everyone about snow cleanup responsibilities:

- Sidewalks: Please ensure the sidewalks adjacent to your homes and businesses are cleared after the storm.
- Snow Piles: For those helping plow snow throughout town, we greatly appreciate your efforts! However, please be mindful of where snow is piled to avoid obstructing access.

If you need assistance with snow removal or have questions about where to pile snow, don't hesitate to contact the town at 719-783-2282.

Thank you for helping keep Westcliffe's sidewalks and roads safe and accessible for everyone!

## NATIONAL CUT YOUR ENERGY COST DAY

National Cut Your Energy Cost Day is January 10th. Looking to lower your energy bill? Start today with a few simple changes! Unplug electronics when not in use, adjust your thermostat a few degrees, switch to energy-efficient LED bulbs, seal drafts, and make the most of natural light. Consider upgrading to ENERGY STAR-rated appliances for long-term savings. Small steps can lead to big savings. for both your wallet and the planet!

How do you save on energy costs at home? Share them with your neighbors so they can save some money, too.

## LOCAL UNITY under the same stars.
