ORDER OF BUSINESS

a. Consideration of request to approve a letter of support to legislatures regarding Round Mtn. Water and Sewer District.

Mayor Wenke reported that he met with Dave Schneider-Round Mtn.'s Operation Manager regarding writing a letter to our congressmen and senators. The EPA is the agency behind the requirements and the Department of Agriculture is trying to get funding for Round Mtn. The EPA will not change their regulations. The letter can't be written until we get more information from Dave Schneider. It may cost much more than the current estimate. Dave Schneider also said that each Town should write a letter individually. The board members supported writing a letter. Mayor Wenke will continue to work on the letter. A special meeting may be required in October.

Mr. Mowry moved and **Mr. Frickell** seconded to adjourn. Motion carried.
