

Meet Deb

Ever wonder what drives someone to make a difference? Deb is a dedicated volunteer who has spent over 7 years leading the Tourism Board, promoting Westcliffe's beauty, and keeping over 50 tons of glass out of our landfill with innovative recycling efforts like Big Blue.

From creating trailhead maps to beautifying recycling trailers, every project shows her passion for community and action.

Upcoming initiatives include:

- Capturing the unique essence of the Wet Mountain Valley
- Developing argo-tourism opportunities.
- Promoting our high-altitude SilverWest Airport as a destination.

Deb says, "Pick something you're passionate about and jump in! The community thrives on volunteers."

Let's celebrate the positive force that drives Westcliffe forward.
