

Staying Safe on the Trails This Spring

As May brings warmer weather and more time outside, it's a great reminder to stay safe while enjoying the incredible trails around the Sangre de Cristo and Wet Mountains. Custer County Search & Rescue (CCSAR) and Trails for All have shared essential safety tips this month — from the 10 Essentials for hiking to the Hiker Responsibility Code, and the importance of always checking weather and trail conditions before you go. Whether you're planning a big adventure or a short stroll, being prepared is the best way to enjoy the outdoors responsibly.

🔗 For local trail updates, safety tips, and more, visit custersar.org and trailsforall.co

🙏 A huge thank-you to CCSAR and Trails for All for keeping our community safe, informed, and confident on the trails!

Check Your May Calendar

ROAD WORK

Road paving operations will be taking place on the following streets until June 1, weather permitting:

- Adams Blvd. – From Main Street north to Jerry Drive
- North 2nd Street – From Main St to North Ave.
- South 3rd Street – From Main St to Rosita St.
- North 10th Street – From Main St (96) to North Ave.
- North Ave – From 10th St to East High School Gym Sidewalk

Important Reminders:

No Parking on affected streets during construction. Parking stripes will be painted after paving is completed. Please avoid these areas, follow construction signs, and be patient and cautious during the road work. We understand this may cause some delays and inconveniences, and we appreciate your cooperation as we work to improve our town's roads!
