Jess Price Park
Construction to Start,
Parking Restrictions Apply
Beginning Monday, April 29th
until late August.

The weather is warming up and we are able to spend more time outside. Take a moment to take a walk through the various parks Westcliffe has to offer. Take in the beautiful scenery all around us while playing a game of frisbee, watching your kids on the playground, or reading a book on a park bench.

Great news! Construction at Jess Price Park will begin Monday, April 29th until late August. Please be sure not to park in these areas during this time. Please visit our website to view the plans.

ENJOY THE SUMMER

Summer is upon us and temperatures are rising. This means kids are most likely spending more time outside. Please drive slow and stay alert while driving through neighborhoods and near parks.

Congratulations to the graduating Class of 2024! We wish you all the best as you start your next chapter in life.

Congratulations!

LOCAL UNITY under the same stars.
