

# SNOW REMOVAL REMINDER

Snow will be arriving soon and so will be the cleanup after the storm ends. Please ensure the sidewalks adjacent to your homes and businesses are cleared. If you need assistance, please don't hesitate to contact our Town Manager, Caleb. He is willing to have his offices help you in any capacity.

We appreciate those who help plow the snow throughout the town. We'd like you to please be aware of where you pile the snow. If you would like help or aren't sure where to pile the snow, please contact the Town Manager, Caleb. Thank you for your help and time keeping the sidewalks and roads of Westcliffe accessible.
