

## ADVERTISEMENT FOR BIDS

The Town of Westcliffe is seeking engineering proposals for the installation of water and sewer mains needed to service Town-owned lots (see attachments) to stimulate the construction of housing units. These water and sewer mains will extend from existing main lines and will need to satisfy short- and long-term growth needs of the District.

Approximately 1,350 feet of 8-inch water main and 3,150 feet of 10-inch sewer main will need to be installed, along with the installation of water and sewer service stub-ins to the lots.

BID DEADLINE: August 15<sup>th</sup>, 2025 by 5:00 p.m. local time.

Please send engineering proposals to the town of Westcliffe at [townclerk@townofwestcliffe.com](mailto:townclerk@townofwestcliffe.com) and contact David Schneider at 719-783-2604 with any questions you may have on this project.

Thank you for your interest, and we look forward to the possibility of working with you.

Regards,  
David Schneider  
General Manager  
Round Mountain Water and Sanitation District  
Westcliffe, CO 81252  
And  
Erin Christie  
Town Clerk  
Town of Westcliffe
