

**What brought you here?**

I moved here to get away from the traffic and noise, the general hustle and bustle of Denver.

**What motivated you to run for the Town Board?**

I had prior experience with other organizations and boards. I wanted to have input on how the Town and community develop. I would like to try and help people that move here from a larger city understand our small town and the amenities we provide.

**Describe one of your goals and objectives for Westcliffe.**

Ensure the infrastructure (roads, parks, municipal buildings) is upgraded and continuously improved.

**What challenges you most about being an elected official?**

Listening and understanding what the concerns are of the citizens and other board members.

**Name a random fact about yourself.**

I don't use computers or social media. I prefer to talk to people face to face.

**How do you like to spend your free time?**

I like to walk and do things around the house.

**What is the best way for your constituents to communicate with you?**

Catch me on the street and let's have a conversation.
