- A. Declaration of Policy and Standards for Rezoning. For the purposes of establishing and maintaining sound, stable and desirable development within the Town of Westcliffe, the rezoning of land is to be discouraged and allowed only under certain circumstances as provided hereafter. This policy is based on the opinion of the Board of Trustees that the Town's Zoning Map is the result of a detailed and comprehensive appraisal of the Town's present and future needs regarding land use allocation and, as such, should not be amended unless to correct a manifest error or because of changed or changing conditions in a particular area or the Town in general. Rezoning shall only be allowed if the applicant demonstrates by clear and convincing evidence that rezoning is necessary because of one or more of the following reasons: (Ord. 2-2007, eff. 9/6/2007)
1. The land to be rezoned was zoned in error and as presently zoned is inconsistent with the policies and goals of the Town's Master Plan. (Ord. 2-2007, eff. 9/6/2007)
 2. The area for which rezoning is requested has changed or is changing to such a degree that it is in the public interest to encourage a redevelopment of the area or new approach to development. (Ord. 2-2007, eff. 9/6/2007)
 3. The proposed rezoning is necessary in order to provide land for a community related use which was not anticipated at the time of the adoption of the Town's Master Plan, and that such rezoning will be consistent with the policies and goals of the Master Plan. (Ord. 2-2007, eff. 9/6/2007)

Also, an intended purchaser may make application if the purchase of the subject property is contingent on the amendment. (Ord. 2-2007, eff. 9/6/2007, Ord 13-2016, eff. 10/6/2016)
